The Golf Courses

Links Hope Island Golf Course

Located on the Gold Coast just 20 minutes from Surfers Paradise and 40 minutes from the Brisbane CBD, Links Hope Island Golf Course is the centrepiece of Hope Island Resort. With its 5-Star facilities and consistent rankings as one of Australia's top ten resort courses, Links Hope Island Golf Course is the ultimate destination for corporate and social golf, functions and events and challenges golfers of all ability as you make your way around the Par 71 course, avoiding the natural and man-made hazards and the many challenging deep bunkers.

The Palms Sanctuary Cove

After its reopening in April 2011, The Palms is considered a championship course rivalling some of the best golf courses in Australia. It has a total length of 5904 metres off the championship tees and has numerous water features and hazards. Tee placements have been designed to suit a variety of playing conditions and a diverse range of players making this a must play golf course.

Palmer Gold Coast Golf Course (formerly Robina Woods)

Palmer Gold Coast has rapidly developed a reputation as one of Queensland's best-loved resort courses, consistently ranked in the top 30 resort courses in the country. The course consists of a 6078 meter, 18 hole, Par 71 championship golf course. The rolling fairways, manicured greens, and towering eucalyptus are strikingly beautiful and blend harmoniously with the surrounding residential development. A natural water-course featuring lakes, ponds, creeks and native wildlife completes a rare golf course environment.

Royal Pines RACV Golf Course

For those wanting the ultimate test, the Green combination course, from the championship tees, measures 6,734 metres, with six par 4s measuring over 400 metres, three par 5s and a 201-metre par 3. It all adds up to a tough series of holes when you factor in the parade of bunkers that come into play on most holes, and the far-reaching swales surrounding a slew of elevated greens. The challenge on this course is to play smart
